Here are the twenty charities and projects that will benefit

20 years of working within the community

Based in Macclesfield, we're an award winning, highly experienced firm of solicitors that's been successfully delivering exceptional legal services – and winning cases for our clients for the past twenty years.

We have considerable experience in handling complex high value claims that necessitate specialist expertise and we are recommended as leading experts in both of the two legal directories that recognise law firm excellence, The Legal 500 and Chambers & Partners.

We focus solely on four specialist areas of law in order to ensure that we can maintain our reputation as being "leaders in our fields", specialising in Clinical Negligence, Serious Personal Injury Claims, Wills, Probate & Tax Services and legal services for both elderly and vulnerable clients. We are also recognised as specialists for helping those who are identified as being particularly vulnerable in society.

Over the last 20 years we have been passionately committed to supporting and working closely with our local community. During the course of 2017, to help us celebrate our 20 year anniversary, we shall be rolling-out our **Twenty₄20** charitable campaign in support of 20 exceptional local charities and projects.

“ The work being done under Jobling Gowler Twenty₄20 highlights that your firm is not just another local business, but a part of the community that wants to make a difference and do the right thing for Macclesfield. ”

Will McKellar, Citizens Advice Bureau

All of the exceptional charities that are showcased within this leaflet form part of the **Jobling Gowler Twenty₄20** charitable campaign. They all work tirelessly within their local communities to help people with physical and mental disabilities, together with those that are particularly vulnerable in society.

The aims of this campaign are threefold:

- To raise awareness of the charities and the great work that they do locally.
- To raise much needed funds to ensure sustainability of the valuable services provided.
- To encourage more volunteers to work for the charities, enabling the vital work to continue.

Jobling Gowler Twenty₄20 aims to celebrate 20 successful years in Macclesfield through the organisation of a number of activities and projects throughout 2017. Many of these projects are open to the general public, some of which are listed below, so please do get involved.

- 1 For each and every Will drafted by Jobling Gowler Solicitors in 2017, Jobling Gowler will donate £20.00 to the **Twenty₄20** charity fund. **It is now the perfect time to get this vital documentation in place whilst also making a valuable contribution to the local community.**
- 2 Tessa Whiskard, member of the Jobling Gowler team, is training for the Macclesfield Half Marathon. **Please do sponsor her around the course!**
- 3 There are 4 art exhibitions being hosted throughout the year at 250 Park Lane. These are open to the public during office hours, Monday- Friday. 25% of all sales will go to the **Twenty₄20** charity fund. Additional items will also be on sale and include: Mystery Art Parcels, Homemade Shortbread, and a specially commissioned **Twenty₄20** cookbook.
- 4 Towards the end of the year we are planning a number of activity days. With a range of workshops and activities to choose from there will be plenty to inspire your hidden creativity.

Please help us to support the vulnerable and disadvantaged in our community.
